ORDER APPROVING IRPS' APOTEX SETTLEMENT

AND NOW, this 29th day of May 2025, after a hearing held in open court on March 17, 2025, it is hereby **ORDERED** that Indirect Reseller Plaintiffs' ("IRPs") Motions for Final Approval of Class Action Settlement as to Apotex Corp. [MDL Doc. No. 3366], it is hereby **ORDERED** that the Motion is **GRANTED** and the Settlement is **APPROVED** as follows:

1. The following Settlement Class, which the Court previously preliminarily certified [MDL Doc. No. 2959], is certified pursuant to Federal Rule of Civil Procedure solely for purposes of this Settlement;

All dispensers of drugs (including Clinics, Hospitals and Independent Pharmacies) in the United States and its territories that purchased one or more Drugs at Issue from January 1, 2010 through March 5, 2024, including those that purchased directly from distributor AmerisourceBergen Drug Corporation, Cardinal Health, Inc., Red Oak Sourcing, LLC, The Harvard Drug Group, LLC, HD Smith LLC, McKesson Corporation, Morris & Dickson Co., LLC or Walgreens Boot Alliance, Inc. or their subsidiaries; and (b) those that purchased indirectly from any Defendant in the MDL.

This class excludes:

- (a) Defendants, their officers, directors, management, employees, subsidiaries, and affiliates;

- (b) entities owned in part by judges or justices involved in this action or any members of their immediate families (other than interests held as a passive investor in a publicly traded entity); and
- (c) all pharmacies owned or operated by publicly traded companies.

2. The Settlement and its terms are finally approved as having been entered into in good faith, and as a fair, reasonable, and adequate settlement as to the Settlement Class Members within the meaning of Rule 23.

3. All Releasors are deemed to have released all Releasees from the Released Claims;

4. As to Apotex, the Actions are dismissed with prejudice and, except as provided for in the Settlement Agreement, without costs.

5. The persons and entities identified in Exhibit A, which is attached hereto and incorporated by reference herein, have timely and validly requested exclusion from the Settlement Class, or have otherwise been permitted to seek exclusion by this Court, and are hereby excluded from the Settlement Class, are not bound by this Final Judgment, and may not make any claim or receive any benefit from the Settlement, whether monetary or otherwise. Said excluded persons and entities may not pursue any claims released under the Settlement Agreement on behalf of those who are bound by this Final Judgment. Each Settlement Class Member not appearing in Exhibit A is bound by this Final Judgment and will remain forever bound.

6. Exclusive jurisdiction over the Settlement and the Settlement Agreement, including the interpretation, administration, and consummation of the Settlement, is reserved to the United States District Court for the Eastern District of Pennsylvania;

7. The Court determines under Rule 54(b) that there is no just reason for delay and directs that the judgment of dismissal in the Actions as to Apotex shall be final; and

8. The Court's certification of the Settlement Classes is without prejudice to, or waiver of, the rights of any Defendant, including Apotex, to contest certification of any other class proposed in the MDL Litigation. The Court's findings in the Order shall have no effect on the Court's ruling on any motion to certify any class in the MDL Litigation or on the Court's rulings concerning any Defendant's motion. No party may cite or refer to the Court's approval of the Settlement Classes as persuasive or binding authority with respect to any motion to certify any such class or any Defendant's motion.

It is so **ORDERED**.
